With extensive experience in fine dining establishments in London, Italy and Spain, husband and wife Alan and Nicola Fenati have what it takes to deliver amazing food, wine and service. What more could you want for your special occasion?

Specialising in a range of functions including weddings, corporate gatherings, social cocktail functions and degustations, the warm atmosphere makes this a special venue for your next celebration.

Understanding that every occasion is unique, head chef Nicola and her team create personalised menus with a range of options to suit any style or budget.

The perfect finishing touch to your function? Because La Casina is set in bushland, it has no noise restrictions, so you and your guests can turn up the music and dance the night away.

Family-friendly La Casina is also open daily for dinner and lunches on Fridays, Saturdays and Sundays. Perfect for all seasons, the restaurant's fireplace and cosy interior make it the ideal winter venue, while a picturesque alfresco terrace ensures it's a summer favourite.
